

EMERGENCY CONTACT INFORMATION

The HHP Security Department has instituted a new program which will provide our Officers with a more effective means of contacting our residents' family members or friends in times of an emergency. Currently, the Plantation Emergency Contact system contains outdated information. The new program will enable Security to retrieve resident information 24 hours a day, seven days a week from our database.

We are asking all residents who live in the Plantation to help us help you. Please fill out the Emergency Information Card below and drop it off at the POA Service Center. You can also access from our Web site www.hiltonheadplantation.com (under Security – Emergency Information on the left-hand navigation), print, complete the form, and drop it off at the POA Service Center. Please submit the form within the next 30 days. Thank you.
