

Public Utilities Serving Hilton Head Plantation

Water and Sewer

Hilton Head #1 Public Service District operates the water and sewer in our Plantation. In addition to a tap and sewer fee, a \$100.00 deposit is required for new residential construction, which is refunded upon issuance of a Certificate of Occupancy (CO). New property owners of previously owned residences are not required to pay a deposit for services. Renters may be required to pay a deposit or to meet the requirements of a deposit waive, depending on the terms of water and sewer payment responsibility with the property owner/landlord.

Private residential customers are billed quarterly for water and sewer service. Water usage is determined from the water meter serving each improved lot and sewer charges based on water consumption. The office hours for Hilton Head #1 Public Service District are from 8:30 AM to 5:00 PM, Monday through Friday. Calls are answered 24 hours a day.

Location: 21 Oak Park Drive. Telephone: 681-5525.
