NEWSLETTER FOR RESIDENTS OF HILTON HEAD PLANTATION

Volume 35/Issue 6 - June 2021

## HHP DAY Celebration

Summer is here and plans are underway for HHP's hometown Independence Day celebration. We will have a parade and a variety of NEW games for children, teens, and adults. Don't miss the watermelon and pie-eating contests, pool games, and, of course, the dunk tank! Also, back by popular demand - the Mechanical Shark, the Money Vault, the Claw Game, and Spin the Wheel! **Some of the NEW activities include The Axe Throw, the Pirate Ship Waterslide, The Frog Pond, Horseshoes, and the Balloon Darts!** There will be lots of delicious snacks, cold drinks, carnival games, and an opportunity to chat with your friends and neighbors on the midway. And, for some of the activities, you may want to bring your swimsuit so get ready to have some fun! More information on page 18.

## From the *President's Desk*

It was truly nice to be able to see everyone's smiling face at the May POA Board meeting. To make it even better was to come out of the Spring Lake Pavilion on a sunny morning and see the tennis courts in full play and a good crowd at the pool being able to enjoy HHP's furniture. Good things are happening, and it's on all of us to keep the positive trend moving forward. So, if you haven't been vaccinated yet, please wear a mask. Even better, I encourage you to get vaccinated.

Most of our club activities are getting back in full swing. Committee meetings are shifting back to the POA Service Center so that the Spring Lake Pavilion can be used for the Kids Kamp, which, by the way, is looking to have a big big year. Office hours for all of the POA facilities have returned to normal; however, please abide by the request to limit the number of people in the offices to two at a time.

On a financial note, it is interesting to see how robust our Commercial Vehicle Decal and ARB Fee revenue lines have been so far this year.

There continues to be new home construction and existing residents deciding to invest in the homes they already own. All in all, a good sign that we live in a community that people appreciate and want to live in. Internally we have the Dolphin Head Recreation Area renovation moving forward. I am optimistic that we will soon have our site plan approved by the Town, and with a couple of other minor okays, we will be able to have the Bid Package prepared and sent to potential vendors.

We keep very up-to-date on the Hwy 278 Corridor project to ensure that the final plans don't put HHP at a disadvantage traffic-wise or that any north-end residences or businesses face extended emergency response times.

Looking forward, I am anxious to see the results of the 2021 Resident Opinion Survey. The response rate has been robust, so we should have a solid understanding of how and where our community would like us to go in the future.

I'm going to repeat myself and say that all of your Board members take their responsibility seriously to represent the best interests of HHP residents and value your opinions and thoughts. If you are interested in staying up-to-date on what is going on or being planned in our community. The following will help you stay informed; read *Plantation Living* for current information, attend the Coffees with Peter for an opportunity to ask any questions you might have, sign up for email blasts, or communicate. If you wish to communicate with the Board, please call 843-681-8800 and press 9, or email [board@hhppoa.org](mailto:board@hhppoa.org), or send a letter to the POA Service Center. You may also email me at [president@hhppoa.org](mailto:president@hhppoa.org). Board meeting minutes are available on the HHP Website: [www.hiltonheadplantation.com](http://www.hiltonheadplantation.com) under Documents/Forms/Minutes.

-- Jon Heron  
**Board President**

# A letter from our

## General Manager

### July 31 Coffee and Future Newcomers Meeting

Hopefully, we will have a community meeting for our next Coffee with Peter scheduled for Saturday, July 31, 10:00 AM inside the Plantation House. Also, with all the hundreds of new property owners, we will be scheduling a "special newcomers" meeting in the late summer or early fall. Such a gathering with senior staff is long overdue and unfortunately delayed by the onset of the pandemic.

### Volunteers for HHP Day

We plan to have our annual July 4th Celebration, better known as HHP Day. This year HHP Day will take place on July 3 since July 4 falls on a Sunday. What makes this day special is the diversity of the activities that take place. We have something for everyone! To make that all happen seamlessly, it takes volunteers. If you would be willing to give an hour or two of your time on July 3, please give Chrissy Kristian a call at 843-681-8800 ext. 226 or Jen at 843-681-8090. We need folks to judge the parade, staff the games, etc. Any time you can give is much appreciated. We plan to have this year's event; we may have to have modifications for some of the games, so stay tuned for details.

### Alligators

Please be mindful of our alligator population. Most alligators have a healthy fear of humans. **If you suspect and can identify an alligator demonstrating aggression towards humans, please report it to Security to investigate and decide if the alligator is indeed aggressive.** If it is found to be aggressive, the alligator will be removed and euthanized. The Department of Natural Resources does not permit aggressive alligators to be relocated. Please do not allow your children to fish or venture near a lagoon without proper adult supervision. We have hundreds of alligators within HHP, and they were here long before humans arrived on the scene. Please exercise caution and common sense.

Do not harass or feed the alligators. If you feed an alligator, you are sentencing that alligator to death. We do not want alligators to associate humans with a food supply. Please pass this information on to your visitors and guests.

It is a Low Country mainstay that we have and live with alligators, deer, snakes, coyotes, raccoons, opossum, spiders, etc. We share our environment with all these critters, and we need to be in awe as well and very careful around all of these different species.

If you find Mr. or Ms. Gator in your open garage, your pool taking a dip, at your front door trying to solicit your attention, or basking in the sun on your driveway or front lawn, don't panic! Call HHP Security at 843-681-2459. Our Security Officers are trained to move Mr. or Ms. Gator to a lagoon or other natural area.

### Summer Concerts

On Thursday, June 24, we will be hosting another outdoor concert at the Plantation House parking lot featuring Stee and the Ear Candy Band. The concert will be held from 7:00 – 9:00 PM, and staff will sell concessions. In case of inclement weather, the concert will be moved to Tuesday, June 29, from 7:00 – 9:00 PM. On Thursday, July 15, we will be hosting The Radio Sparks in

concert also in the Plantation House Parking lot from 7:00 - 9:00 PM rain date – Thursday, July 22.

### Striping of Whooping Crane Way

This section of roadway is scheduled to be restriped, including crosswalks, stop bars, directional arrows, and reflectors.

### Dolphin Head Recreation Renovations

The Board and POA Staff are working with Wood + Partners on a submission to the Town of Hilton Head Island's Planning Department for consideration. This is the next step in the process, and based on the feedback from the Town, the planned renovations may be adjusted again to meet Town codes and specifications. Once this process is finalized, bid specifications will be crafted by our Land Planning firm and sent out to qualified construction and playground firms. After bids are obtained, a special committee appointed by the Board President will evaluate the bids and scope of work. They will recommend to the Board which firm should be selected and if some aspects of the project should be deleted or expanded in light of cost considerations.

### Spring Lake Pool and Kids Kamp

Spring Lake Pool is open and is almost back to totally everyday pre-COVID use and operating hours. Our Kids Kamp will have a shortened session this summer due to the Beaufort County Public Schools schedule. Youngsters will still be required to have signed waivers from their parents or guardians, and temperatures will be taken daily.

### Supporting Plantation Living

*Plantation Living* is the main vehicle for communicating with residents by the HHPPOA Board of Directors. The newsletter is jam-packed with information about POA activities, Board decisions, upcoming projects/issues, information regarding recreational opportunities, classes, clubs, etc. This information is made possible by a bevy of volunteer authors, the POA Staff, Harry Heron, the HHPPOA Board, and the editor for *Plantation Living*, Leah Davis. She is also our Ad-Sales Manager! The value that vendors place on *Plantation Living* as a digested publication by you is evidenced by the tens of thousands of advertising dollars vendors pour into this publication. Ad sales have rebounded from the lows caused by the shutdown of many businesses due to the pandemic in 2020. Leah has been working feverishly to boost our ad sales now that the local economy has rebounded in such a positive manner. Why does this matter to you as a property owner? The dollar-for-dollar ad revenue helps offset your annual assessment. If you use one of the vendors who advertise in *Plantation Living*, please reference that you saw their ad in our publication. That feedback helps Leah sell more ads, further helping to offset your assessments. Thank you for your consideration.

### Hurricane Season

Hurricane season is here. Please check out the Hurricane Preparedness information on our website [hiltonheadplantation.com](http://hiltonheadplantation.com). You can find this valuable information on the Documents page of our website. Hard copies of the Hilton Head Plantation Hurricane Preparedness Guide are also available at the POA Service Center. Several updates have been made to the guide based on our experience with recent storm events, so please secure an updated copy of this important document. We learned several valuable lessons from past Hurricanes Dorian, Irma, and Matthew. The most critical lesson is: **Do not expect or depend on, State or the Federal government to do everything**

# General Manager's Report

*(cont'd. from page 3)*

**for you immediately following a hurricane. These government agencies should be focused on the neediest and vulnerable in our community. As we all know all too well, if we are (God Forbid) hit with a hurricane again, those who can need to be as self-sufficient as possible for as long as possible. Our three-fold communication approach worked well (HHP website, email blasts, and 800 number Hurricane Hot Line). Flooding, which has always been depicted on our hurricane category maps, is a reality, and every storm is different.** During major storm events, areas of HHP will flood. No one is left behind to clear storm drains of debris or assist with emergencies, medical or otherwise, in an evacuation situation.

Please have a sit-down or phone conversation with your insurance carrier to be clear about what is covered by your policy, what is not covered, and your deductible. Having this conversation and understanding is imperative before Hurricane season begins. Proper preparation, adequate food, clothing, medical supplies for you and your family members, and of course, a copy of your insurance policies. Please read over the guide and prepare accordingly.

Here is a list of some names for the 2021 hurricane season, Ana, Danny, Grace, Julian, Mindy, Peter, and Teresa. (No Peter jokes, please). Forecasters have listed a total of 21 names for 2021, and I don't want to jinx us by listing all 21 names for this edition.

Please jot down this special 800 number that has been set up for HHP residents and keep it with your hurricane evacuation kit **877-264-5267**. We have set up this number to dispense hurricane evacuation information as well as re-entry information. Being prepared is key; please take a few moments to review the information available on our website and prepare your household. If you have not signed up for our email blasts, please contact Leah Davis, our Communications Coordinator, so that Leah can add you to our list. Leah can be reached at 843-681-8800 ext. 244 or [ldavis@hhppoa.org](mailto:ldavis@hhppoa.org).

Emergency Management revised its protocols for evacuations a few years ago to eliminate a call for a "Voluntary Evacuation." Emergency management now calls for a "Mandatory Evacuation" only. Like all things "weather," no forecast is ever totally on the mark, so paying attention to potential storm threats is essential. If our area is in a hurricane's potential path, it is sometimes wise to leave the area before the governor calls a mandatory evacuation. The benefits of going early are severalfold- you get to choose your route out of the area, traffic is far less, gas stations are not overtaxed or out of fuel, and you get a better selection of hotels for temporary lodging. Once a "Mandatory Evacuation" is called, you will be directed by Law Enforcement to follow a specific predetermined evacuation route, the roads will be crowded, fuel may be in short supply, and you will have fewer options for lodging.

How do you know when it is an excellent option to leave ahead of a call for a mandatory evacuation? Look for announcements that hospitals are evacuating patients and assisted living facilities with folks who need special care during transport. It is not a foolproof sign but a good gauge that the governor will call a mandatory evacuation in the next 12 to 24 hours.

## Weapons

Many property owners lawfully keep weapons in their home. If you own a weapon, you have a special responsibility to handle your firearm safely to not endanger yourself or those in your household. Weapons not in use should be stored safely, or trigger locks should be employed to prevent an accidental discharge of such weapons. Firearms should be kept well away from children or adults that do not have the expertise and, in some cases, the capacity to handle such a weapon safely.

If you travel with a weapon in your vehicle, it should be locked in your vehicle. Leaving a weapon in plain sight in a vehicle is an invitation to those with ill intent to take your weapon and use it for criminal purposes. Again, firearms owners have a duty of care to secure their weapons and keep them from falling into the wrong hands.

The discharge of a firearm is prohibited on common property within HHP. The Town of Hilton Head Island also has an ordinance that prohibits the discharge of a firearm anywhere within the Town limits. The exception is a Law Enforcement Officer or Security officer in the performance of their duties.

If you own a firearm, you have a further obligation to get the necessary training to handle and care for your firearm. If you have a question about a firearm that you own or may have in your home, please call HHP Security at 843-681-3053, and they will be happy to assist you.

Firearms are not permitted in our community buildings (unless you are Law enforcement or Security) or within the Spring Lake Pool area. A word to parents and guardians of young folks, many "toy" guns are manufactured to look like a real weapon. This has placed law enforcement officers and citizens to possibly second guess a real weapon from a toy or BB-type weapon; please educate your children on the perils of these types of situations and the dilemma faced by law enforcement when confronted with a young person brandishing a "toy" weapon that looks all too real.

## Thank you!

For over a year, we have all been impacted by the pandemic. All of our lives were affected in some manner; some folks lost loved ones some folks suffered through rough illnesses. We all were confined in some manner and visiting friends and family became limited for everyone's safety. Once again, all of you were so very supportive of how we handled the business of HHP during very trying times that tested our mettle and patience. We are not quite totally out of the woods, but we are well on our way to a more normal lifestyle. An enormous thank you for all your support, kind words, and suggestions during a situation that has lingered for almost 18 months.

Another large thank you to all the folks who assisted neighbors, donated food and funds to our community food banks, gave blood during several blood drives, volunteered to help with vaccinations, or just looked after neighbors in need. You all stepped up and made life a little easier for those in need.

**Stay Safe,  
Peter Kristian, GM**

## "Harry G. Heron" Master Covenants Bird

*This month's focus: "Under the present circumstances following the Rules is even more critical!"*

I can get places on the fly, but I simply do not possess the ability to be omnipresent when I need help. One of the many reasons I chose to roost in HHP is because of the outstanding sense of community so prevalent throughout our neighborhoods. My HHP residents come from a diverse cross-section of the entire country and are some of the most caring and giving individuals that can be found. Due to my avian capabilities and keen

eyesight, I am sometimes called upon to solve unique issues that manifest themselves from time to time. Lately, during my flyovers, I've noticed some of my human friends leaving bikes, toys, kayaks, trashcans, and trash bags out on their driveway or the side of the residence. It's an ongoing concern of a few and not an item that is regularly discussed. Those items must be stored in the service yard or garage when not being used. Service yards are for trash containers. Your trash service provider is required to retrieve the trash from your service yard. Please, NO trash containers or trash bags are to be dragged out to the curb, left out on the driveway the night before, or the morning of trash pick-up. My distant cousins, the opossums, raccoons, and rats (in the low country, we call these critters "Marsh Rats," which is a bit of a softer word) are attracted to trashcans smell of the food inside. There is no shortage of critters like me here in this community. Trashcans should not be left out on the driveways. Most of all, my human friends follow this courtesy which keeps our streets looking sharp and clean.

The rules sound great when reading them in your nest; however, applying them in your everyday lifestyle can be a real challenge. Keep in mind that slow and steady always wins the race across the lagoon or any other course, for that matter. Harry believes in the old saying - "Efficiency is doing things right; Effectiveness is doing the right thing." Good and bad has its advantage and disadvantages which you should consider carefully so that you can make sensible decisions. Sometimes expectations and responsibilities can be complex, not quite easy to follow, understand, or keep up with. The first step in making good choices is to be fully aware of the challenge. Let me give you an overview of why adhering to guest pass and commercial pass rules hits you right in your pocketbook! I love welcoming avian friends to my nest! And I'm sure you do, too. A guest pass should NOT be used for an individual(s) who is performing work or a service. These individuals must purchase commercial passes to come into the property. Guest passes will only be issued to visitors for a specific non-commercial purpose of visiting a resident. Well, how do you know this? The little birdie (Hamilton) told me.

Service providers may often act like they are unaware of the rules and contact you for a guest pass. Commercial vendors/contractors are defined as individuals and/or companies (including HHP Property Owners/Residents) who sell products,

provide estimates, repair appliances, provide home cleaning services, and professional services, etc., who work in Hilton Head Plantation. Commercial vehicles are not authorized to use Hilton Head Plantation Property Owner/Resident decals as a means to gain access to the Plantation for business purposes. Commercial vehicles must have a business sign on each side of the vehicle noting the business name and telephone number. They are stopped and questioned if they are requesting a Guest Pass to a residence. The giveaway that they are not visiting or having lunch is usually the telltale painting supplies and ladders in the back of the van. In the case of a house cleaning, it's usually cleaning supplies, mops, not knowing the resident name, expired domestic HHP decal, and buckets that are clear view in the back seat. Many residents are unaware that several types of Commercial Decals and Daily Passes are available for service providers. There is a Domestic Decal issued for six (6) months for a nominal fee. Another decal to note is the Realtor Decal, which allows a realtor access into the Plantation seven (7) days a week, 24 hours a day for a nominal fee. Annual and monthly Commercial Decals are sold at the POA Service Center, Monday – Friday, 8:00 AM – 4:30 PM. One must provide the following documentation for purchase: Valid Driver's License, current proof of vehicle insurance, and registration. Many residents think this is not necessary even for an estimate.

The past several months, many letters were sent to residents regarding the abuse of the Guest Pass System due to being persuaded by the service provider who is acting free as a bird by trying to avoid the need to buy a Commercial Decal or a Daily Pass. Please do not be tempted to open the door to such a request for a service provider who is acting like a cheap bird bypassing the system. Remember: When asked, "Hey can you call me in a pass?" Just say, sorry, it's not allowed. There are reasons why OUR community is sought after as such a beautiful/safe place to call home. It takes all of you to support our efforts in complying with the Rules & Regulations. It's a personal choice, but the rewards are very beneficial. The fees collected pay for the additional wear and tear on our roadways and the Security necessary to monitor the activities of workers and service providers. I am quite the perspicacious heron, so please do not deceive these procedures, which help keep our assessments parsimonious. This is not "bird feed," and our assessments would need to be raised to make up the shortfall if these fees were not collected.

As we approach our nation's birthday, Harry is reminded of the many blessings and freedoms we enjoy as USA citizens. Many of my human friends of multiple generations have shared with me the sacrifices that have been made to preserve our freedoms, first from England, then from slavery, two world wars, Korea, Vietnam, Iraq, and Afghanistan. Many humans paid the ultimate sacrifice, so all humans living in the USA have the freedom to speak their minds and enjoy the many opportunities to make a better life that can be found in no other county. We owe a debt to all those men and women who fought and sacrificed for our country, from Harry's nest to your home; happy 245th birthday.

-- Harry Giovanni Heron  
843-681-8800, ext. 242 wlee@hhppoa.org

## 2021 Spring Lake Pool Rules

Swimmers assume responsibility for their own safety and that of their families. Lifeguards will not be on duty during all hours that the pool is open. The pool is equipped with a self-locking gate, an emergency telephone, and a first aid kit at the Guard Office. Report problems to Security – 843-681-2459. Also, DHEC will inspect for fecal contamination and other violations. If DHEC finds any contamination, they will close the pool immediately. Please be courteous and if you have a child that is NOT potty-trained, he/she MUST wear a secure-fitting, waterproof swim diaper at all times. For questions, please contact the Director of Activities at 843-681-8800, ext. 226. Thank you for your cooperation.

### Spring Lake Pool Regulations

1. HHP Property Owners, their family members, guests, and tenants with leases of at least nine months may use SL Pool.
2. Spring Lake Pool users must present their validated HHP Photo ID Card to the pool staff when using the facility.
3. Property Owners, residents, and children 17 years and older, with validated HHP Photo ID Cards, may bring four (4) guests to the pool. Children 16 years old, with a validated HHP Photo ID Card, may enter the Spring Lake Pool; however, they are prohibited from bringing guests.
4. Spring Lake Pool users and their guests must adhere to a proper code of conduct and follow instructions from the lifeguards. Appropriate conduct and rules include, but are not limited to, the following:
  - Lifeguard approval of all floatation devices. (Floatation devices must be Coast Guard approved.)
  - Using earphones with audio equipment.
  - Placing trash in receptacles.
  - Smoking is not permitted within the Spring Lake Pool compound at any time. (This includes e-cigarettes.)
  - Wearing swimwear at all times.
  - Showering prior to entering the pool.
5. Guests, 17 years or older, with a validated House Guest Card may bring two (2) guests.
6. Children age 15 years or younger MUST be accompanied by a parent/guardian (17 or older).
7. It is the parent's/guardian's responsibility to ensure that children not potty-trained must wear secure-fitting, waterproof swim diapers at all times. NOTE: Anyone found responsible for a fecal contamination at the Spring Lake Pool will be held accountable for the cost of treatment and be subject to additional sanctions. If the person responsible is not a property owner, the cost of treatment and other sanctions will be levied against the host Property Owner/resident.
8. The following is prohibited in the Spring Lake Pool enclosure:
  - No solo swimming
  - No animals or pets of any kind
  - No glass containers
  - No spitting, blowing nose, or individuals with skin, eye, ear, or respiratory infections, diarrhea illness, or nausea

- No diaper changing on deck
  - No bikes, skateboards, skates, or rollerblades
  - No diving
  - No one with communicable diseases
  - No one with open lesions or wounds
  - No running, boisterous, rough play
  - No alcohol or drugs and no one under the influence of alcohol or drugs
  - No rings, body floats, rafts, and other such devices
9. In the zero-depth area of the pool, infants will be permitted to use a baby ring as space dictates but they MUST be under direct supervision of a parent/guardian at all times.
  10. Safety breaks will be called at the discretion of the lifeguards.
  11. Pool noodles are permitted but they are to be used for floatation only. (*Patrons must bring their own pool noodles*)
  12. Coolers are permitted but they are subject to inspection. All food/drinks must be kept at least ten (10) feet from the edge of the pool. **Alcohol is NOT permitted.**
  13. No climbing is allowed on the island in the middle of the lazy river.
  14. Children wearing Coast Guard approved floatation devices in the lazy river or the deep-end area of the pool MUST be accompanied by a parent/guardian at all times.
  15. Spring Lake Pool may not be used for personal profit or commercial purposes.
  16. Cabanas and tables may not be reserved. They may be used on a first come, first served basis. Property Owners and guests should not leave personal items unattended. The HHPPOA accepts NO responsibility for any item left unattended.
  17. Lifeguards have the authority to expel violators. They may also create and enforce other safety rules, as necessary.

### UPDATED HOUSE GUEST CARD POLICY AT SPRING LAKE POOL

HHP House Guest Cards are now being accepted for entrance at the Spring Lake Pool. House guests that are 17 years of age or older may bring up to two guests with them for a total of three individuals permitted on one HHP House Guest Card.

\*The Spring Lake Pool Hours for June, July, & August:

	<b>Every day</b>
<b>Opens:</b>	<b>8:00 AM</b> <b>(Tuesdays – 10:00 AM)</b>
<b>Closes:</b>	<b>8:00 PM</b>

\*Morning lap swim times are 7:30 AM until 8:15 AM (except Tuesdays). There is NO morning lap swim on Tuesdays. Evening lap swim times are 30 minutes prior to closing. If you have any questions, please feel free to contact the Director of Activities at 843-681-8800, ext. 226. Thank you!

## Hurricane Preparedness

You can't stop a tropical storm or hurricane, but you can take steps now to protect yourself and your family. If you live in areas at risk, the Centers for Disease Control and Prevention (CDC) encourages you to be prepared for hurricane season. The Atlantic hurricane season is June 1 - November 30 each year. It's always important to be prepared for a hurricane.

Planning for hurricane season and other potential disasters can be stressful, and because the 2020 hurricane season comes during the coronavirus disease 2019 (COVID-19) pandemic, it may be especially so. Your planning may be different this year because of the need to protect yourself and others from COVID-19.

### For tips to help you safely prepare, evacuate, and shelter for severe storms while protecting yourself and others from COVID-19, please see:

- Preparing for Hurricanes During the COVID-19 Pandemic.
- Preparing for a Hurricane

### Follow these important hurricane preparedness tips from CDC:

- Prepare for a Hurricane
- Take basic steps now to ensure your safety should a storm hit.
- Get emergency supplies: Stock your home and your car with supplies. Give yourself more time than usual to prepare your emergency food, water, and medical supplies. Home delivery is the safest choice for buying disaster supplies; however, that may not be an option for everyone. If in-person shopping is your only choice, take steps to protect your and others' health when running essential errands.
- Make a plan: Create a family disaster plan.
- Prepare to Evacuate: Never ignore an evacuation order. Pay attention to local guidance about updated plans for evacuations and shelters, including shelters for your pets.
- Protect older adults: Understand older adult health and medical concerns.
- Protect your pets: Ensure your pet's safety before, during, and after a hurricane.

When you check on neighbors and friends, be sure to follow social distancing recommendations (staying at least 6 feet from others) and other CDC recommendations to protect yourself and others. CDC recommends that you print important documents (e.g., emergency phone numbers, insurance information) before a hurricane strikes. Power outages during and after a hurricane can prevent you from accessing information online when you most need it.

Preparing now can help keep you and your family safe. If you need to evacuate, take steps to protect yourself and your family from COVID-19. Prepare a "go kit" with personal items you cannot do without during an emergency. Include items that can help protect you and others from COVID-19, such as hand sanitizer with at least 60% alcohol, bar or liquid soap, disinfectant wipes (if available), and two masks for each person. Masks should not be used by children under the age of 2. They also should not be used by people having trouble breathing or unconscious, incapacitated, or unable to remove the mask without assistance. Learn how to stay safe from COVID-19 while staying with friends or family or in a shelter.

- **Major Warren Gaither**, Director of Security

## Plantation Golfing

by Jerry Cutrer

### Country Club of Hilton Head

Four CCHH couples participated in ClubCorp's Annual ClubLife Couples Tournament played this year at the Casa de Campo Resort in the Dominican Republic. Participants played a practice round, then three competition rounds of Alternate Shot, Scramble, and Better Ball of Partners, with two of the rounds played on the top-rated Teeth of the Dog Course.

The Women's Golf Association held its first annual Presidents Cup, a stroke play event whose competitors were current or past WGA Presidents. Loretta Cutrer was the low net winner.

The WGA's annual Match Play Tournament began in March with 32 players competing in Bracket Flights. Mary Shanahan, Flight 1 winner emerged as Match Play Champion with a victory over Flight 3 winner Mary Ellen Rogers.

The Women's Nine Hole Association celebrated Mexican independence a day early with a "Quatro de Mayo" 9-hole event with games along the way and a luncheon following golf. Chris McCarthy, Sandy Fitzpatrick and Lisa Zamborsky were the scramble winners aided by Sandy Fitzpatrick's hole-in-one.

**Top Left:** (L-R) Loretta & Jerry Cutrer, Chris & Deane McCarthy, Linda & Bill Marett and Bettie & Dave Bowman at the ClubLife Couples Tournament Awards Dinner.

**Top Right:** (L-R) Deane & Chris McCarthy receive the trophy from ClubCorp Vice-President Randy Kaxmierski for winning low net in their flight.

**Bottom Left:** WGA Presidents Cup Winner Loretta Cutrer with her crystal vase and flowers.

**Middle:** WGA Match Play Champion Mary Shanahan.

**Bottom Right:** (L-R) Quatro de Mayo winners Chris McCarthy, Sandy Fitzpatrick and Lisa Zamborsky.

# Farmers Club

## Summer Farm Market

The Farm Market will be open on Saturdays from

9:00-11:00 AM through July 10. The variety of produce continues to change- tomatoes, peppers, eggplant, okra, corn, and colorful bouquets are among the items you will discover in June – come early for the best selection. Are you looking for a little hostess gift? We have a lovely selection of jams and local honey!

### Meet Some "New Farmers"

I thought you might be interested in hearing from a few "new farmers" when they were asked 1. Why did you decide to rent a farm plot? 2. What surprised you the most about the farm?

#### Ginny and Mark

moved to HHP from the "Jersey Shore" late in 2018 and became "Farmers" in September 2020. Mark enjoys gardening, previously had small summer gardens, and the Farm Plot gave him sanity during the pandemic. Winter gardening was new, and they began reading a lot and asking questions. Fellow gardeners have been so friendly and always willing to help. They enjoyed their winter vegetables and now look forward to their summer vegetables and flowers. Their biggest surprise was the growth of the plants through the winter - something they never experienced.

**Sam** retired in Philadelphia in September 2020 and joined **Connie**, who lived in HHP. They became "Farmers" for they were looking for interests they could enjoy doing together with their newfound free time. This was their first gardening endeavor.

Their biggest surprise has been the amount of time needed to keep up with their plot. When to plant, what to plant, pests, and diseases... a constant learning experience they have thoroughly enjoyed. Other "farmers" have been extremely friendly, helpful, and supportive. They have generously donated surplus produce to the Farm Market and food bank. It is truly a community.

Renting a farm plot was one of the first things on **Chris** and **Jane's** "to do" list when they moved to HHP. They had a garden in the 1990s in Connecticut and loved the "work" and the reward! Renting a plot would allow them to meet people and become part of the community. Most surprising was the soil! The sandy nature of the soil finalized their decision to use galvanized, raised beds which were cheaper than wood! Controlling the soil is key to a successful garden. They have met many wonderful and knowledgeable people now considered friends.

# Craft Beer Club

Following the Ken Kolbe Concert, a slightly delayed start time saw members...and

many new members gather at Spring Lake Pavilion.

Besides new friends, our new members provide the club with a source of new craft beers that we have not seen/tasted in the past.

Future monthly events will include visits to two new breweries on the Island (Lincoln and South and Side Hustle) and a likely return of food trucks to events at Spring Lake Pavilion. Be sure to "Save the Date" for an overnight trip to Charleston for their outdoor Beer Fest on October 9 this year. Many members had planned to attend last year, and COVID forced the cancellation, so we are anxious about this event.

The club typically meets the fourth Monday of each month at the Spring Lake Pavilion at 6:30 PM unless there is an offsite event. Members are always encouraged to bring craft beer from the area or from their travels to discuss and share with the group. Dues are \$10/year per person, and you may join at any time of the year.

Our sharing provides craft beer aficionados the opportunity to try other styles and flavors of beer to expand their beer palates.

Please contact Steve Yingling via Email at SteveHHI@kw.com with questions or to indicate your interest in becoming a member or to send contact info for those that wish to be members or guests.

CHEERS!!

-- Steve Yingling

### Men's Cards

Per the schedule listed on the POA Monthly Activities Calendar (insert can be found inside *Plantation Living*), Men's Card Groups play at the Spring Lake Pavilion at 6:00 PM on the following days:

- Second and Fourth Tuesdays**
- Every Wednesday**
- Every Thursday**

We encourage you to stop by and watch the games played to determine if you are interested in joining one of the groups.

### Our Tuesday Bridge

Our Tuesday Bridge meets every Tuesday at the Plantation House at 12:30 to play intermediate level bridge. Our membership is currently complete, however, subs are welcome. If you are interested, please contact me, at the following email, and I will be in touch with you.

[bgsips@hargray.com](mailto:bgsips@hargray.com)

Lois Smith

## Notice

Your interactions with members of the Security Department and the POA Staff may be recorded.

## Newcomers Club

Hello and Happy Summer to all! I hope everyone that joined in on our cruise in May out of Shelter Cove on Captain Mark's boat "The Holiday" had a great time.

We are currently on hiatus for the summer but will be back in September for our 2021-22 season of the Newcomers Club with planned fun events to enjoy. Our season runs from September through May.

If you are not yet a member of the Newcomers Club, please check out our website at [HHPNC.com](http://HHPNC.com) for details. Starting in June, you can now pay online for your membership dues of \$15 per person and also our club events.

Enjoy your summer, and we look forward to seeing you all in September.

-- **Ginny Freeland**,  
Publicity Chair

## Yacht Club

After a COVID-fractured year, the HHP Yacht Club was rewarded with a glorious evening of celebration at the Change of Watch event on the back patio of Country Club of Hilton Head, surrounded by evening-blue sky and golf-course green. Perfect weather rewarded us for our endurance with a soft breeze keeping away the no-see-ums as the Chilly Willy Band played jazz and dance music. Wayne and Jocelyn Mitchell planned the grand affair.

New officers were installed as outgoing commodore Rick Sauers passed the black tricorn hat to Wayne Mitchell. Blue burgees (nautical flags) were passed to incoming officers: Vice Commodore Van Schwiebert, Rear Commodore Rick Siebenaler, Fleet Captain Social Sandy Silber, Membership officer David Boehm, Secretary Ralph Noonan, Treasurer Mary Frances Peery, Member at Large Sansing McPherson.

Sandy Silber earned the Commodores Trophy, Van Schwiebert won the Commodores Cup, and Chris Brigham earned the ignominious Up-the-Creek paddle for getting his boat Applewine entangled in a lobster pot in Maine while cruising at night. The coast guard had to be called, and fellow crew members had to jump into the icy Maine waters to free the boat and trap. All the while, Hurricane Freddy was advancing.

A summer full of boating events is planned to celebrate open-air freedom on the water. Club members should watch their emails and sign up online. Social and boating memberships are welcome. To apply, contact David Boehm at [davboehm@gmail.com](mailto:davboehm@gmail.com).

-- **Sansing McPherson, Member at Large**

## Kayak Club

Hello, fellow kayakers! We hope you will join us for one or more of our fun paddles. Our club plans trips for those with and without kayaks.

Meetings usually take place on the fourth Tuesday of the month at 7:00 PM at the Plantation House. For all the latest information on our current plans as well as meeting information, please check out our website at [www.kayakclubhhp.weebly.com](http://www.kayakclubhhp.weebly.com).

If you are not a member of our club and would like to be, or if you have any questions about the club or our activities, please contact Cindy and/or Bruce Seeley at [kayakclubofhhp@gmail.com](mailto:kayakclubofhhp@gmail.com). Please note that you must be 21 or over. Those under 21 must be accompanied by a parent or guardian.

## The Tee Timers

The Tee Timers' Cinco de Mayo party was a hit, and the turnout was great! Eleven teams vied for prizes. A big thank you to Mary Monaghan and Sian Cameron for all the planning you did for the event! We had a fun golf outing followed by appetizers and drinks on the patio at Bear Creek. Once again, Bear Creek did a fantastic job. The staff stayed late to take care of us and were truly the best. Thank you, Bear Creek!

### And the winners are

Maribeth Wolfe - Closest to the Pin.

Joyce Murphy - Closest to the Line.

Maureen Schlegel, Cindy Villena, Joyce Murphy, and Heidi Fearon made up the First Place team in our Las Vegas Scramble.

Dee Gerstle, Melissa Andris, Lynn Baglyos and Joni Boehm came in Second.

Third Place went to Lila Lawlor, Gayle Wilson, and Bonnie Wilt.

And Carol Montgomery, Janet Hicks, Sue Lievense, and Nonie Steele carried Fourth.

The Tee Timers is a group for women golfers. If you are interested in finding out more about our group, email [theteetimers@gmail.com](mailto:theteetimers@gmail.com)

## Garage Band

Although COVID is still with us, many are getting vaccinated, and we hope that will help bring our long lonely depression to an end. Meanwhile, we are continuing to have a safe and friendly place to play music. We use a large space in the Plantation House where there is a lot of room and good ventilation. Everyone follows COVID rules, and most of us have received our vaccines. Attendance is increasing, and we even have some 'fans' who come to hear what we do most weeks.

The 'Garage Band' is a place for musicians (beginner to experienced) who want to play 'classics' that are rock, country, blues (and even pop). We have a good time playing music that people like to hear. Members are encouraged to bring songs for the band to play. Everyone is encouraged to help the band get a set of songs together. SO, everyone come 'rock out' with us. The Garage Band wants YOU to come and listen, play, and/or sing!! Don't be embarrassed – it's like singing in the shower only with clothes on. We meet every Wednesday of the month at the Plantation House from 7:00 until 10:00 pm. For your groupies, we try to start playing around 7:30. For more information, you may contact Ric Blaine at 706-373-8204 (rcb3771@gmail.com) or Tony Smithson at 847-922-8588 (asmithson69@gmail.com). And stay healthy and safe!! We'll keep our distance and play loud enough so you can hear us – maybe even on the porch or the parking lot! Please come on down and rock out. And BTW, playing music makes you young again!

## Ladies Bridge Group

We meet at the Plantation House every Friday at 1:30 PM. We currently have a full roster; however, if you are interested please let me know and I will get in touch with you if we have an opening or need someone to sub. Please email me at [lakwb@hargray.com](mailto:lakwb@hargray.com). Level of play is Intermediate.

--Lois Womelsdorf

## Java Thursdays HHP Men's Group

The place to be for some good manly conversation with other men of HHP is still alive and kicking during

these difficult times. We have been meeting via Zoom on Thursday mornings from 8:30 to 9:30 AM. So grab a cup of joe and join us! We will be sending out an email notification with details of when we resume our physical get-togethers.

If you are interested in good weekly conversation and are not receiving our emails, please contact John Prange [j2prange@gmail.com](mailto:j2prange@gmail.com).

## HHP Dog Club

Hello, Friends of Canines — We had 20 attendees at our "Behind the Scenes at a Dog Show" event last month. All seemed to enjoy the presentation by Linda Knight and Kathi Molloy, as they shared their expertise about breeding, handling, and judging dogs. Linda brought her Brittany "Ryan" with her, and Kathi was accompanied by her Norwegian Elkhound "Cliff." "Ryan" is an AKC Silver Grand Champion, and "Cliff" is an AKC Gold Grand Champion. He was the #1 Norwegian Elkhound in the country in 2019. The presenters were knowledgeable, and the canines were beautiful! Thank you, Linda and Kathi!

As the summer approaches, many dog owners make plans for vacations and consider their canines' needs. If your pet is traveling with you in a car, be sure he is properly secured in the back seat in a carrier, pet hammock, pet car seat, or a pet seatbelt. Failure to do so may result in severe injury for the dog or dangerous distraction for the driver. Bring water and bowl and waste bags with you, and make frequent stops.

Onboard airline travel with a small pet is possible if you have an approved carrier that can fit under the seat in front of you (typically 17" L x 12.5" W x 8.5" H). Usually, the carrier and dog together cannot exceed 20 lbs. The fee is quoted one-way at about \$125 domestically. You will need to check the individual airline to determine any deviation from these approximations. Consult your veterinarian for special instructions regarding food, drink, and medication for a pet who will be traveling by air.

Contact the specific company to determine the rules for traveling with your furry friend for bus or train travel.

Regardless of your mode of travel, a microchipped pet is always a safer pet. In the event of an accident or other mishap, your beloved canine companion can quickly be reunited with you. In addition, be sure to have the pet's ID, registration, and vaccination records with you.

**Meanwhile, Happy Dog Walking,

[hmcollins@hargray.com](mailto:hmcollins@hargray.com)**

## Bunco

We meet on the 3rd Monday, 7:00 PM, at Dolphin Head Rec building.

**Betty Vosler 843-715-3708**

**The Avid Gardeners (TAG)**

It's always hard for me to believe how quickly the month seems to pass between writing articles a month ahead of time for an upcoming issue. The most notable thing to occur over the past month has been the progress made worldwide in pushing the COVID vaccines that are now available. As time has evolved, it appears the CDC is beginning to back off of their recommendations to wear a mask any time a person is out in public. On HHI, it also appears that the mandate to wear a mask any time you're out and about is going to be rescinded within the next couple of weeks. This is all very welcomed news, but we all have to hope and pray that the virus doesn't get a "second wind" and start causing major health issues all over again because we dropped our guard too soon!

As I've mentioned in previous TAG articles, the one good thing that has come from the virus is that with everyone locked down at home, rather than traveling or being out and about at restaurants, movies, etc., there has been a very noticeable uptick in the beauty of most everyone's yards and properties here on HHI as the majority of us have had a lot more time to take care of our gardens, plant all those spring bulbs, trim those shrubs, etc.

TAG meetings are held on the third Friday of each month from September to June, and all HHP residents are always invited. The meetings begin with a coffee/social at 9:30 AM in Spring Lake Pavilion, followed by a short business meeting at 10:00 AM, and then that month's program. If you are interested in joining TAG, please contact Chris Thumm, 2nd V.P. – Membership, at [Thumms@aol.com](mailto:Thumms@aol.com).

**--Dick Phillips,**  
Past President

**Family Caregivers Join Hands & Support Each Other A support group for family helping to care for a loved one**

At this time all meetings are canceled for this group through the end of the year due to Ann Martel's family demands and COVID.

**Woodcarvers**

*Got some free time between 1:00 - 3:00 PM on Thursdays?*

Stop by Dolphin Head and see what the carvers have been up to. Want to know how to sharpen a knife?

We can show you.

We also do wood burning on some of our carvings. There are lots of different projects in the works. Hope to see you soon.

**HHP CRAFTERS**

The HHP Crafters were among the first groups to meet in Hilton Head Plantation over forty years ago! Initially organized by a doctor's wife, the Crafters' prime purpose was to meet neighbors, share talents and put their crafting to good use. HHP Craft show sales initially benefited the Hilton Head Hospital, which was a non-profit facility. Since 1996, the HHP Crafters have been working with the non-profit Hospice Care of the Lowcountry, donating more than \$250,000 since then.

The people who make up the Crafters are a very diverse group. They knit, sew, quilt, paint, photograph, and make jewelry. We have a few woodworkers but are currently looking for a woodworker interested in cutting the individual pieces (head, ears, antlers, and base) for the reindeer heads for mailboxes for our Winter Holiday show.

Crafters also make shell and floral arrangements, cards, and holiday décor. (Photo shows a wreath for the 4th of July!) Inspiration comes from many sources: books, magazines, websites, Pinterest, and from talking to other members. Occasionally we have workshops to learn new ideas.

We have members who have been with us for several decades and many who have just joined this year! Some members are full-time, some part-time. Some former members who have moved away still make items and send them to us. We welcome members of all levels of ability, so please join us at one of our meetings!

If you would like to join, or if you have donations of craft materials, fabric, yarn, sewing or knitting notions, etc., please contact Margot Gilbert at 843-342-9996 or Deanna Collins at 843-689-3979.

**Laurie Arnold**  
[arnold3909@yahoo.com](mailto:arnold3909@yahoo.com)

**The Happy Times Party**

Happy Times are Here Again!

With the COVID-19 cases way down and many of us vaccinated, we will resume the happy times party at the Dolphin Head Pavilion on **Sunday May 23, 2021**. *The party will be outdoors only.* No reservations, no RSVP, no meeting, no agenda, no dues – just a happy time with friends and neighbors. Bring your own beverage and food. Ice will be provided. Future 4th Sunday Happy Times Parties will be scheduled in due course.

For more information call Schatzi Khalifa at 315-382-1727, or email Ezz Khalifa at [hekhalifa@gmail.com](mailto:hekhalifa@gmail.com).

Hilton Head Plantation  
**ARTISTS**  
Association

Summertime finds the HHP Artists heading to the beaches for a refreshing dip and being inspired by the local birds playfully chasing each other over sand and marshes. Our members are comprised of painters, photographers, sculptors, jewelry designers, fiber and glass artisans, each with their own unique perspective to capture the spirit of the Lowcountry.

If you'd like to enjoy more of our talented local artist's works, please stop by the Plantation House or POA office. If you are interested in learning more about us, please email us at [hhpartistnews@gmail.com](mailto:hhpartistnews@gmail.com)

Bottom Left: "Birds of a Feather" by Don Nagel

### Calling all Paddleboarders!

Looking for other Plantation residents that may be interested in forming a new club of Paddleboard Enthusiasts! If you would be interested in joining, please contact Dawn Wickline at 843-422-0889. If there is any interest, we will schedule an informal meeting to discuss details.  
*Would love to hear feedback!*

Dawn Wickline

[dawnipoo1119@gmail.com](mailto:dawnipoo1119@gmail.com)

## Fishing Club

There were no organized Fishing Club activities during the past month. Our next meeting will be

in September when we will open our Club year with a Low Country Boil. Details will be available in a future issue of Plantation Living and via email. Our next Club activity will start on Wednesday, July 7. That's the first day of Kids Kamp fishing! While we have a fairly good number of members on the volunteer list, we can still use more. Yes, it's a lot of work, and it's hot, but it's also fun and rewarding. You don't have to know a lot about fishing to help the children, so ALL members are eligible!

We will also need many volunteers on Tuesday, July 13. That's the date for Camp Leo. Camp Leo is an annual summer camp held by the Lion's Club for visually impaired children. A day of fishing for these children has been held at HHP for many years. These children require one-on-one help, so please consider volunteering.

Summertime means warm water in our lagoons, and that means less dissolved oxygen in the water. Less oxygen puts additional stress on our fish population, so we have to be more careful with how we approach fishing. It starts with equipment selection. Using light tackle makes for more fun for the angler, but a long fight isn't very good for the fish. Use a heavier rod and reel to permit landing your catch quickly and get it back in the water as soon as possible. Please don't play the fish to the point of its exhaustion. Avoid using treble hooks, which take longer to remove or pinch off one or two barbs from lures with two treble hooks. Have pliers or forceps handy to aid in hook removal. Take that picture quickly. (Having a fish jump and splash for too long a period is also a wake-up call for any nearby alligators!)

Handling a fish removes the protective slime, which normally protects it from parasites. The best way to remove a hook from a bass is to grip its lower jaw with your thumb in its mouth. A largemouth has no teeth, so your thumb will be fine. One exception is for very large bass, where its weight and flopping around can dislocate its jaw. In this case, supporting the fish while removing the hook is the best way.

The DNR is also making saltwater anglers aware of the problem of "barotrauma." That's the problem when reeling in a deep-water fish. Bringing the fish into a lower pressure environment can cause fatal internal injuries. If you fish in deep water, your boat must now be equipped with devices that can assist in safely returning a fish to its deep-water habitat. Check the DNR website to learn about these new requirements before heading offshore.

- Earle Nirmaier

Please take a good look at the HHP Women's Club logo making its debut this month. You will find it on our new website very soon, as well as on all Women's Club correspondence.

Over 70 of us elected six new board members at the May Barbecue Lunch at Spring Lake Pavilion. We also welcomed Fran Fiorino as our new President.

According to our bylaws, Bobbie Ventre, our past President, will remain on the board for one year. Susan Crow, our new Vice President, will serve as President in 2022-23. This succession allows smooth transitions in leadership. Past president Sherry Beck is leaving the board this year after three years of outstanding service.

Looking ahead to the 2021-22 Calendar of Events, please plan to attend the Ice Cream Social on August 10. This is always an excellent opportunity to sign up for Special Activities and visit with new and returning members. Women's Club general meetings are held on the second Tuesday afternoon of each month from September to November and January to April. Social events are planned for December and May. Renewing members will receive email instructions for sign-up. New members can go to our website [www.hhpwc.org](http://www.hhpwc.org) to learn more about us. A Get-Acquainted Happy Hour for all new members is scheduled for October.

Green Thumbers is a popular Special Interest Activity that meets monthly. The group is looking for board members to fill a few spots. For more information, contact Mary Kelly at [mkelly9t9@aol.com](mailto:mkelly9t9@aol.com) or Susan Wilson at [mschanel55@gmail.com](mailto:mschanel55@gmail.com).

The Women's Club makes an annual charity contribution. This year we have decided to divide it among The Deep Well Project, The Christ Lutheran Church Lunch Break Ministry, and Hilton Head Volunteers in Medicine. Thank you for your personal donations in May and throughout this challenging year.

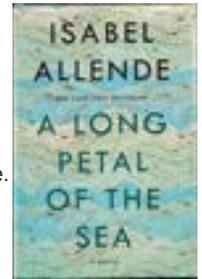

Stay in touch through the summer on our website, which is launching soon! [www.hhpwc.org](http://www.hhpwc.org).

--Mary Albright  
Women's Club Publicity Chair

**HHPWC Book Club**

*A Long Petal of the Sea by Isabel Allende*

A Long Petal of the Sea is the story of Victor and Roser, two refugees. Displaced by the Spanish Civil War, they flee to France and eventually settle in Chile. We follow the couple through their marriage of convenience, other lovers, political strife in Chile, and their struggles to not only survive, but thrive.

**PRO:** Strong characters, especially in Victor and Roser; good descriptive writing; liked the technique of using lines of poetry by Chilean poet Pablo Neruda to introduce each chapter; pertinent topic dealing with refugees

**CON:** At times, it was hard for some to follow the various characters names; one or two parts were a little predictable

**CONCLUSION:** We highly recommend this book to others based on the very good discussion it prompted and the timeliness of the topic of refugees. Our group felt that we learned a lot about the Spanish Civil War and the political problems in Chile's history.

Seven members gave the book our top rating of a 4 and four rated it a 3.  
*Reviewed by the Relaxed Readers*

**WC Out To Lunch Bunch**

The OTLB had its last luncheon at Nick's Steak and Seafood in mid-May with the restaurant closing just for our group. Plans are in the works for a great year in 2021-22. The first luncheon will be in September. To register for the new year, come to the Women's Club Ice Cream Social on Tuesday, August 10. The Out to Lunch Bunch will have a table for registration with dues being \$5. Checks only.

**WC Card Sharks**

The Card Sharks will be starting back on April 19 at 1:00 PM at the Plantation House. We will be playing Hand and Foot Canasta and all are welcome. We play the 1st and 3rd Monday of the month.

**WC Knit Wits**

This friendly group of women welcome all skill levels of knitting. The group meets every Wednesday, 2:30 PM, at the Dolphin Head building. No fee is required.

**WC Vino Formaggio**

The Vino Formaggio Wine Tasting Group is still in a holding pattern. It is hopeful that good news is coming soon. For info contact Susie Marquis at: [Doug6307@aol.com](mailto:Doug6307@aol.com)

*WC May Barbecue*  
May 11, 2021

### Friendly Foodies Gourmet Cooking Club

Our club is open to interested cooks willing to host eight members for a fun and collaborative meal. While the host prepares the entree and sides, guests provide appetizers, salads and desserts. We hold up to four dinners per month with rotating hosts

and guests. This is a great way to meet new friends!

Currently our membership roster is at capacity, if you would like to be added to our wait list please contact [Lynnjenningstaylor@gmail.com](mailto:Lynnjenningstaylor@gmail.com).

### Men's Cooking Club

**Men's 2nd Wednesday Cooking Club** Our group recently met for lunch at Dockside and decided to resume meeting in person in September. Such issues as summer travel, HHP Summer Camp, and an extra measure of COVID safety were factors in the decision.

We are currently at 10 members and therefore have room for two more "chefs." We are an informal group of guys who have good fun and fellowship. A high level of culinary expertise is defiantly not required. We learn from each other. For more information, reach out to Rick Dean ([Rjdean@roadrunner.com](mailto:Rjdean@roadrunner.com) or 770-354-3340).

### Men's 4th Tuesday Cooking Club

Our Cooking Club consists of men who enjoy cooking new and interesting full course meals for lunch once a month. The meal is prepared at the Spring Lake Pavilion or frequently at the member's home. We enjoy each other's company and the opportunity to improve our skills. **For further information please contact: Steve Strom 843-342-2838.**

### Train Club

This club is for anyone with an interest in trains. Members are modelers, history buffs, railfans, etc. Model train members have O, HO, and G gages to name a few. The club has a permanent O and HO Gauge Plantation House layout.

We operate trains for some plantation functions, such as July 4th, the Holiday Hayride and the Children's Holiday party. We provide assistance to anyone who needs help or wants information about the hobby. Our club members or guests do presentations on various train topics. We may visit other train clubs in the area, attend area train shows, visit museums or member's home layouts.

Regular meetings are normally held at the Plantation House at 2:00 PM on the second Wednesday of the month. Our summer hiatus is from July through September. Meetings resume in October and run through June.

Guests and new members are encouraged to attend. For additional information contact Mike Denoncourt at 843-342-7272 or email: [mdenoncourt@hargray.com](mailto:mdenoncourt@hargray.com).

### Softball Club

The HHP Softball club is back on the diamond, holding our weekly practices on Mondays at 10:00 AM at the softball field near the POA. We get together, throw the ball around, and work on fundamentals of the game, including hitting, fielding, and base running. We will scrimmage if we have enough players to field two teams. Our practices are fairly low key, and generally an excellent way for the players to work on their game and meet new friends at the same time.

Our club joined a new Senior Softball League last month, which has found success in other cities. It is a "55 and over league" formed to allow those in the Hilton Head and Bluffton areas who love the game to participate in a relaxed, friendly atmosphere with like-minded individuals. The league follows the guidelines set up by Beaufort County, and our games are played at the nearby Barker Field complex. Our club is split into two separate clubs as we had more than enough to support two clubs. Right now, there are six clubs, and we hope to expand during the upcoming seasons. So, if you want to join in a competitive league and make some new friends along the way, come on down, and I will fill you in.

If you want to get some exercise to keep involved in playing softball, you can practice and play as much or as little as you are comfortable with. Our team is made up of some really great people. Come and enjoy the fun. If interested, feel free to contact me, Bob "Bonzo" Huisman ([modybloo@hotmail.com](mailto:modybloo@hotmail.com)/843-715-2516) or you can just come down to the field.

**Softball is fun!**

**Bonzo, Club President**

[modybloo@hotmail.com](mailto:modybloo@hotmail.com)

### Junior Shag Dance Club

If your family likes music, dancing, and having fun with friends join the HHP Junior Shag Club. The Shag is our state dance. It's a swing dance, done by rhythm and blues beach music that the whole family can enjoy. It provides fun, exercise, and healthy social interaction for everyone. In the process of learning to dance we also learn respect, manners, social graces, sportsmanship, work ethic, and positive communication skills. Parents always accompany their juniors and are encouraged to learn Shag too. HHI Carolina Shag Club members share their joy of dancing with our neighborhood families.

SPRING LAKE  TENNIS

It's official; we have our first social event! The Wimbledon

Challenge will be on Friday, June 25th; tennis will begin at 9:00 AM, and 12:00 PM brunch will follow. Keith will be our honored guest and official Master of Ceremonies at the draw party and the challenge.

Look for the Pro Shop email blast for further information on our first social event of 2021. Our second social event will be on Friday, September 10th, Ice Cream Party, then our favorite Octoberfest Friday, October 22nd. I will miss my Grill Master Wojo. Our new member on the Social Committee,

Jeff Rogers, will assume the position of Grill Master. I will once again make the german potato salad and hot german pretzels. We are back and will be glad to see everyone on the courts.

-- Brian Doyle

**Spring Lake Tennis Clinics**

**Tuesdays, Fridays, & Saturdays** 10:30 AM - Beginners and Intermediates Emphasizing strokes, footwork, and strategy.

**To make a reservation call:** Lou Marino, USPTA Cardio Tennis Coach (843) 301-4453 (lwmarino@hotmail.com) or Spring Lake Tennis Center 843-681-3626.

**Good People Doing Good Things!**

**Hilton Head Plantation Habitat For Humanity House**

Residents of Hilton Head Plantation have sponsored a house at The Glen, Habitat for Humanity's community on Alex Patterson Road off Marshland Road. This accomplishment came about without a typical fundraising drive. It resulted from donations by individual residents familiar with Habitat's work and perhaps friendships with now-retired Habitat Executive Director Pat Wirth. A designated account for HHP donations for a house sponsored by its residents grew over the years to the \$70,000 needed.

The start of construction was initially planned for April 2020. COVID-19 delayed that. Construction got underway earlier this year as volunteers were able to return to work. The house is now dried in, and progress advances daily. It will soon become the home of the Almengor family. There are at least a dozen residents of HHP who regularly volunteer at The Glen, which has 2 phases. Phase 1 is complete with 16 homes. Phase 2 is the location of the HHP sponsored house among another 16 homes. In Phase 2, five homes are completed and occupied by new residents, while the HHP house and three more are in various stages of construction.

All HHP residents who have donated their monetary gifts or construction skills can be proud of this accomplishment at The Glen. HHP – a community with a heart for Habitat.

**Bocce Club**

Our Spring Bocce Tournament was held during the week of May 3, with the finals and championship games played on May 9. We had glorious spring weather, and many came out to cheer on their friends! The final matches on Sunday were very entertaining and competitive. But in the end, The Buckeyes (Merv & Karen McCoy) triumphed over The Tigers (Dave Miller and Anping Zhang) in the final match. Both teams represented the Luigi division well! Congratulations to the other Final Four winners: The Hoosiers (Dick and Mary Ellen Phillips) and The Eagles (Garry and Kathy Peters). Our champions were crowned for the third time at our Bocce Ball on May 15.

Our Division winners were as follow:

**Antonio division:**

The Lobstahs (5-2) Bruce and Trish Abbott

**Bruno division:**

Interlobbers (5-2) Don and Marilyn Lorenz

**Carlo division:**

Murphy's Team (6-1) Ed and Susan Tobergte

**Dominic division:**

NoVa Ballers (7-0) Chris and Jan Coogan

**Eduardo division:**

PA Guys (6-1) Mike Tax and Andy Celli

**Fausto division:**

Just the Two of Us (5-2) Dave Breault and Lin Barnard

**Luigi division:**

Landsharks (5-2) Jim Lowder and Kim McGee

**Sabato division:**

La Dolce Vita (5-2) John Verzino, Regina Verzino, and Alexander Verzino

**Vino division:**

Luck of the Irish (6-1) Mike and Mary Monaghan

Our Summer Women's League will be held every Thursday evening from 5 – 6 PM. Play begins on June 3 and will continue through September 2. All women are invited to join in these friendly games, encouraging camaraderie and sportsmanship. If you have never played bocce, this is your opportunity to do so! Feel free to invite your friends and neighbors.

Want to use the bocce courts, but you are not part of the Bocce League? Bocce courts can be rented for \$6 an hour. Contact Spring Lake Tennis (843-681-3626) to reserve a court. Why not give it a try? Bocce Rocks On!

-- Debra Reece

### Morning Water Aerobics

Water Aerobics classes are a great way to mix up a traditional gym workout with the wondrous benefits of water. It only takes a few water aerobics

sessions and you'll see a big difference in your overall fitness.

Water supports the body, putting less stress on your joints and muscles. Working out in water helps build strength, fighting against the push of the water activates your muscles, and water pressure helps put less strain on the heart by moving blood around the body. Also, the impact of gravity is less in the water allowing a greater range of motion, not to mention, working out in water helps prevent overheating, helping you exercise for longer. And...it's fun! It is not often you can say that about a workout!

Dates: **Monday–Wednesday–Friday**  
 Place: **Spring Lake Pool**  
 Time: **8:30 – 9:30 AM**  
 Instructor: **Gretchen Spiridopoulos**

**Please note:** The Morning Water Aerobics Class will be limited to only **40 participants per class**. This number may be increased throughout the summer depending on current COVID restrictions at the time.

### Deep-End Water Aerobics

The Activities Department is offering an evening Deep-End Water Aerobics class on Tuesdays and Thursdays. Deep-End Water Aerobics is a non-impact aquatic class with water resistance for overall conditioning using vertical positioning. Jogging and specific exercises will strengthen the back and abdominal muscles for a total body workout. This class is a wonderful way to strengthen and tone your body!

Dates: **Tuesdays & Thursdays**  
 Place: **Spring Lake Pool**  
 Time: **5:30 – 6:30 PM**  
 Instructor: **Jackie Spindel**

*\*The cost to attend either Water Aerobics Class is one Universal Fitness Ticket. See Universal Fitness Ticket Matrix for prices on page 21. You must use a 2021 Universal Fitness Ticket in order to attend either class.*

# KIDS KAMP 2021

**Due to extremely high enrollment numbers for Kids Kamp, the registration is officially CLOSED for ALL six weeks.**

We will not be able to accept any more sign-ups for this year's program (*this includes daily registrations*).

We are thrilled that we have grown in popularity, and we want to make this a safe and fun environment for all attendees involved. We also want to ensure enough staffing to accommodate the numbers of children expected each week.

If you have not signed up your child/grandchild yet but would like to add his/her name to a waiting list, please contact Jen at the Scheduling Office at 843-681-8090.

**Week 1: June 28 - July 2**   
**Patriotic Party Week**

**Week 2: July 6 - 9 (No Kamp July 5)**  
**Tropical Tiki Week** 

**Week 3: July 12 - 16**  
**Heroes & Villains Week** 

**Week 4: July 19 - 23**  
**Lost in Time Week** 

**Week 5: July 26 - 30**  
**Jungle Mania Week** 

**Week 6: August 2 - 6**  
**Out of this World Week** 

**New to the Summer Concert Series:  
Stee and The Ear Candy Band**

Please join the Activities Department for a fun night for the whole family! We are excited to introduce a new band to the summer concert series – STEE AND THE EAR CANDY BAND! The Ear Candy Band formed in 2015 and consists of Producer / Songwriter / Vocalists who bring the elements of the studio to the stage in a cutting-edge way, providing an experience you'll never forget.

**Date:** Thursday, June 24  
**Rain date:** Tuesday, June 29  
**Time:** 7:00 – 9:00 PM  
**Place:** Plantation House Parking Lot  
**Cost:** FREE!!!

Bring your family and friends, food, drinks, chairs, and dancing shoes for a night to remember! We will also be selling refreshments – pizza, popcorn, candy, soda, and bottled water. And be sure to social distance when you set up your lawn chair. We hope to see you there!

**New 6-Week Session of  
Intermediate Tai Chi Class  
with Gordon Fair**

The Activities Department is excited to introduce another 6-week session of the Intermediate Tai Chi class on Tuesdays starting July 6. Tai Chi Chuan dates back to 780 AD in mainland China. Originally used by Tao monks as a method of defense to marauding warriors, it has transitioned over the centuries to become an exercise made up of 60 individual movements. The entire “kata” takes about 15 minutes to complete (when learned) and helps to improve breathing, circulation, muscular strength, lower stress and promote better balance.

The Intermediate Tai Chi Class will be held on Tuesdays at the Spring Lake Pavilion from 2:30 – 3:30 PM. The 6-week session will run July 6 through August 10, and the cost is only \$40/person for the entire session.

**Class:** Intermediate Tai Chi  
**Dates:** Tuesdays, July 6 – August 10  
**Time:** 2:30 – 3:30 PM  
**Place:** Spring Lake Pavilion  
**Cost:** \$40/person  
**Instructor:** Gordon Fair

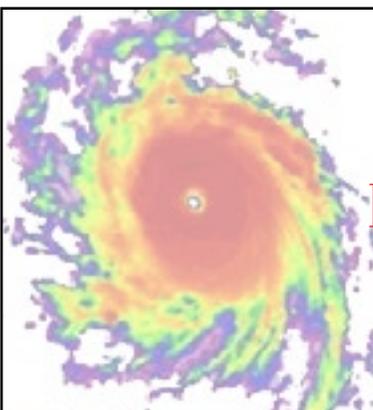

If interested in joining this class, sign up at the Scheduling Office with Jen. Your check or cash payment IS your reservation. A maximum of 12 participants will be permitted to sign up. Participants interested in the Intermediate Tai Chi Class should already be familiar and comfortable with the Tai Chi Chuan form, and we encourage participation in the Beginner Class before signing up for the Intermediate Class. For questions, call the Scheduling Office at 843-681-8090. Participants are encouraged to bring a water bottle.

**Instructor Bio:** Gordon Fair is a certified Black Belt in Shaolin Martial Arts (14 years), and he has been teaching Tai Chi in the Hilton Head area for the past year including a complimentary session in the fall of 2019 for HHP residents.

**New Class with Louise Lund  
Core, Strength, & Balance**

Beginning Thursday, June 10, Louise Lund will be offering a NEW CLASS at 9:45 AM called **Core, Strength, & Balance**. Set to upbeat music, you'll work your entire core and learn new exercises to sculpt your body and increase your flexibility and range of motion. To attend class, participants must bring one universal fitness ticket.

**\*Please note:** This new class will replace the Body Sculpt Class scheduled on Thursdays at the Spring Lake Pavilion (upstairs.) For questions, feel free to contact the Director of Activities at 843-681-8800, ext. 226.

**Hurricane  
Information  
Meeting**

**Wednesday, June 23, 2021**

**5:30 PM**

**Plantation House**

We have scheduled a meeting with the Town of Hilton Head Island's Emergency Management Coordinator Tom Dunn.

# Join us on Saturday, July 3, for our Annual **HHP Day!**

Date: **Saturday, July 3**

Time: **12:00 – 3:00 PM**

Place: **Plantation House & Spring Lake Pool Recreational Area**

**Sign up for POA Activities at the Scheduling Office in the Plantation House.  
Questions? Call Jen at 843-681-8090.**

**July Art Classes**

**CAN THIS PAINTING BE SAVED??  
For Acrylic and Watercolor Artists**

Every artist has one, two, or more of these... unfinished paintings that have been hanging around because you don't know what to do next, or paintings about which you've lost your excitement to continue because you feel it's headed to be a dud.

Don't just stand there and scream!! Instead, dig out and dust off those unfinished works (new pieces welcome too!) and bring them to the July classes where LeAnn Kalita will guide you as you "save" your painting and bring it back to life. Spend these sessions fully immersed in improving YOUR work – learn alternative ways to view and evaluate, explore options to save it rather than toss it, work on new skills and techniques...and even take previously completed paintings to the next level. Open to all levels of watercolor and acrylic painters.

- When: **Thursdays**  
**July 8, 15, 22, and 29**
- Time: **1:30 – 4:30 PM**
- Place: **Plantation House**
- Cost: **July "Dog Days of Summer" Deal – Register for all 4 classes - \$100 OR \$49/class**

If interested, sign-up at the Scheduling Office with Jen. Your check or cash payment IS your reservation. For questions, call 843-681-8090 or contact LeAnn Kalita via email: kalitart@gmail.com.

**\*Please note: Location for summer classes will be held at the Plantation House.**

**Teen/Tween  
Event Details  
(Coming soon)**

We are in the process of planning our summer Teen/Tween event.

More information will be provided in the July issue of *Plantation Living* and an email blast will be sent out to all residents.

**KIDS KAMP COOKIE SOCIAL**

SUNDAY, JUNE 27TH • 1:30 - 3:30 PM •  
SPRING LAKE PAVILION

The Activities Department and the Kids Kamp Staff are hosting a **Cookie Social** for the new and returning Kids Kampers and their families. This is a great opportunity to meet the new staff for **Kids Kamp 2021!** Refreshments will be available, so stop by and spend a few minutes with us. We'll be there to answer any questions you might have about the Kamp Program.

This is a **FREE** event! Looking forward to seeing you there!

**Sign up for POA Activities at the Scheduling Office in the Plantation House.  
Questions? Call Jen at 843-681-8090.**

### Hatha Yoga Class

The Activities Department is excited to introduce another 6-week session of Hatha Yoga taught by Mary Montour. Hatha yoga combines a gentle asana (posture) practice that emphasizes core strength, flexibility, balance, concentration, and breath control. Mary feels alignment is key to staying safe and getting the maximum benefit from the poses. Mindful, slow flow coupled with the breath and longer holds compliment the active alignment cues. Props will be utilized to help with alignment so students of all abilities can participate. Restorative poses and meditation close out the class. This class is suitable for students that are newer to yoga, as well as experienced students interested in a lower intensity flow and refinement of alignment.

Classes will be held on Wednesdays at the Spring Lake Pavilion from 2:30 – 3:30 PM. The session will run July 28 through September 1, and the cost is only \$40/person for the entire session.

Dates: **Wednesdays  
July 28 – September 1**  
Time: **2:30 – 3:30 PM**  
Place: **Spring Lake Pavilion**  
Cost: **\$40/person**  
Instructor: **Mary Montour**

If interested, sign up at the Scheduling Office with Jen. Your check or cash payment IS your reservation. A maximum of **15 participants** will be permitted to sign up for this class. For questions, call the Scheduling Office at 843-681-8090.

## SUMMER JOB OPPORTUNITIES

## New to the Summer Concert Series: *The Radio Sparks*

**Sponsored by:**  
**HARGRAY**

Get out the dancing shoes because we have a show for you! The Activities Department is teaming up with Hargray to present another fabulous summer outdoor concert for the whole family! Coming all the way from Greensboro, NC, we would like to introduce THE RADIO SPARKS! The Radio Sparks is a three-piece band boasting two lead singers that has become a popular party band for weddings and social events in the Southeast. The trio has toured the United States extensively performing in historically famous venues such as The Bowery Ballroom in Manhattan and The Roxy Theatre in Los Angeles. To learn more about the band, go to <https://www.samhillbands.com/bands/radio-sparks>. This is a concert you won't want to miss!!

Date: **Thursday, July 15**  
 Rain date: **Thursday, July 22**  
 Time: **7:00 – 9:00 PM**  
 Place: **Plantation House Parking Lot**  
 Cost: **FREE!!!**

Bring your family and friends, food, drinks, chairs, and dancing shoes for a night to remember! We will also be selling refreshments – pizza, popcorn, candy, soda, and bottled water. And be sure to social distance when you set up your lawn chair. We hope to see you there!
