Minutes from the meeting of January 14, 2022 , were approved.

**Announcements from the chair:** Betsy reminded us that our next meeting would be held on March 10 ,2022. She also reminded us of the Coffee with Peter to be held at the Plantation House next Thursday morning.

**Old Business:** None

Major Gaither reviewed the security and safety activities report for December. There were 3 accidents. One of them involved minor injuries.

**New Business:** Maury noted that one of the accidents occurred at the intersection of Whooping Crane and High Bluff. He noted that speeding was a factor since the offending driver admitted he was going 35 to 40 MPM. Whooping Crane makes a curve at High Bluff and when a car is

speeding there is not sufficient time for a car coming out of High Bluff to enter the roadway safely. He suggested placing a stop sign on Whooping Crane to help control the speed of traffic there. Since the speed limit drops to 30 MPH at General David Park, it would be easy to simply reduce the speed limit to 30 MPH at High Bluff as an alternative to a new stop sign. There was a suggestion that it might be possible to improve visibility by trimming the trees along Whooping Crane. This matter needs further review.

General Manager Peter Kristian was out of town on business.

There being no further business, the meeting was adjourned at 10:12 AM.

Respectfully submitted,
